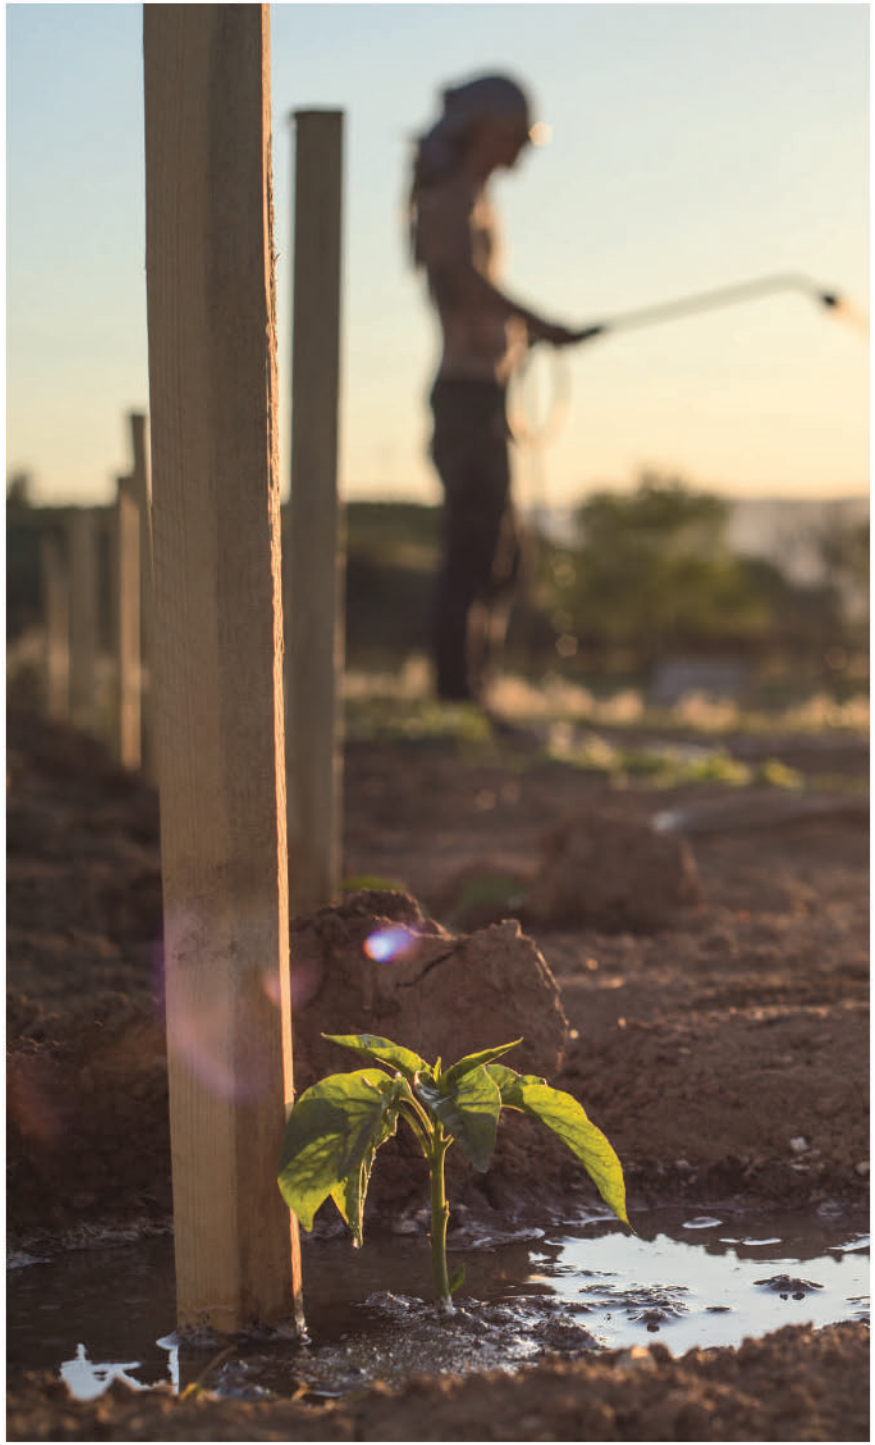
COALATREE
FALL 2015
Greet the Outdoors.

FOOTPRINT SYMBOL KEY:

- BLUESIGN
- CERTIFIED ORGANIC
- PRIMALOFT ECOFILL
- NATURAL PERFORMANCE FIBER
- BETTER COTTON INITIATIVE
- RECYCLED MATERIALS
- MADE IN THE U.S.A.



Founded in 2010, Coalatree is a community that thrives off of preserving and greeting the outdoors. We source our sustainable products from textile mills that support farmers and factories we trust. Partnering with our mills and factories has built a community of manufacturers who believe in one common goal, sustainability. We make products and decisions that will last longer than we will so everyone, from the farmer to the consumer, can see and feel the benefits in Coalatree.

EVERLIGHT SHELL

Everlight Rip-Stop is constructed from nylon and spandex in order to create an alternative for comfortable cotton knit fabrics. The 4-way 5.9oz stretch fabric is DWR coated, moisture wicking and extremely durable so you can enjoy activities like running, climbing, camping, hiking or simply lounging around.
