We're showing the boards!
All we ask is that you
PLEASE DON'T SHARE THEM.

Hermann is turning pro early next year and still hasn't seen 'em. Thanks for helping keep them off the message boards until then.

The video part he is working on is straight up shocking, and we plan to drop it around the time of this release, along with several other things afterward to help make this one hit hard.

Thank you as always for your support and being a part of these amazing moments.
