BTS 2025 PREBOOK

We're here only because of YOU.

As you read this, we know YOU are giving it YOUR all for skateboarding and your community. None of this works without the hard work from all involved.

For this drop, we pushed to check all the marks. (We think you'll dig this one)

We appreciate your support and fully back your shop and scene.

Thank you for keeping it rolling.

-DLX

REAL

REAL is excited to introduce a new line of cut-and-sew pieces, featuring a brand-new Jort (Jean Short) designed with input from the team for the perfect fit, with the 'Street Cleaner' coin pocket logo and a leather back patch with 'Roll Forever' branding. The REAL 'Tough Threads' Double Knee Pants are back, now elevated with a subtle dark blue and navy two-tone design. Alongside this, the new 'Spots' collection pairs perfectly with seasonal in-line decks and a new look of the popular 'Curbs' tee and hat.

KROOKED

Krooked's bee tee es apparel line is coming strong with three new snapback hat options and two beanies to keep your dome warm, a "Koffin" embroidered carpenter denim pant, a hooded flannel shirt with a "Double OK" custom logo patch, and new options of our classic art work on t-shirts, long sleeves and hoodies. Look good getting back to school with the Double Ok E Dee.

THUNDER

Thunder's new apparel line hits on all fronts, from revamping a classic heavy metal-inspired 'No Mercy' logo from the 90s to the newly established Insignia 'T' Logo. It even has some OG Grenade Sweat Shorts, plaid hats, and garment-dyed specialty tees for this Back-to-School season.

VENTURE

Stay wide awake with Venture's BTS apparel line. We're keeping it fresh with a new color-up classic Awake tee and switching things up with the NEW embroidered Heritage tees. Don't sleep on the Heritage 92 snapbacks and Wide Awake cuff beanie. See you in the streets.

ANTIHERO

Traipsin' in straight from Fashion Week in Milan, Antihero BTS'25 keeps things gritty, basic and utilitarian.. Hot new outerwear for keeping sessions heated, and ice-cold headwear to keep your wig cool.. Whatever the weather we got you covered.. Antihero: siempre hecho por skate.

THERE

Tune in, Pull on, Climb through, and Cut it up with THERE for BTS this year.

Tune in to the THERE CD s/s shirt.

Pull on the all-over Parasite logo beanie in neon yellow (with art by Chandler).

Climb through to the comfy 'Hole' plush blue pull-over hood.

Cut it up with the chainsaw-embroidered mesh hat.

(See what we did THERE?)

SPITFIRE

Spitfire pants continue to be the stand outs season after season, and this drop is no different. With some newly developed Eternal Overdyed Red Denim pants featuring an elastic waist and internal drawcord closure alongside the OG Bighead Denim Medium Wash Jeans brought back for another run in case you missed them the first time. Then the Cut and Sew pieces give a nod to all the baseball heads out there with an SF inspired 'Spitball' capsule, including a Satin Club Jacket, Custom Zip Hood, and a range of headwear. For printables, there's tons of new artwork, including Hellfire, Inferno, Chrome Bigheads, and Batwing Classics, to round out the line and make sure the 10% safe to 90% evil ratio stays intact. Fire, demons, and dead things win every time. Don't ever forget it.

The background is a dark, monochromatic abstract composition. It features thick, expressive brushstrokes in various shades of grey and black, creating a sense of depth and movement. The strokes are layered and overlapping, with some areas appearing more saturated than others. The overall effect is one of raw, emotional energy.
