COLOUR WEAR

SPRING/SUMMER 2017

SPRING/SUMMER 2017

Spring is all about energy.

Everything comes to life and burst out in colour.

That's why we present a line of functional clothing that inspires you to colour your day of an active lifestyle. Life is your canvas, let's put some colour on it!

For the Spring summer 2017 we present a two lined collection, complete to suit an active lifestyle. The collections offers a wide range of clothing and accessories that enables you the best experience of everyday adventure.

THE COMMON WAY OF MAKING CATALOGS

THE COLOUR WEAR WAY

EVERY DAY OUT DOOR

Colour Wear is Swedish brand founded 2010
as a result of love for an active lifestyle.

With heart and passion for nature and the longing to ride
we want to provide high quality apparel to young of heart.

We are a subcultural lifestyle brand.
Influenced by multi-ethnic culture, art and music.
Mixing contemporary fashion, outdoor living and high end functionality.

We believe that everyone have the right to express
their personality in full colour.

Life is your canvas,
Cololur Wear

LIBERTY

Freedom, pushing your boundaries
— that is Liberty

Designed for the ones who want to explore the surrounding without limits. Garments built for the hardest conditions, yes with an unconstrained fit and which reflect your lifestyle.

Enjoy your freedom with liberty.

URBAN

Blanding Swedish heritage with modern lifestyle trends. Urban is inspired by the Swedish fashion scene, taking influences from art, music and modern fashion.

Unique trims, daring prints and cutting edge silhouettes make the Urban line stand out.

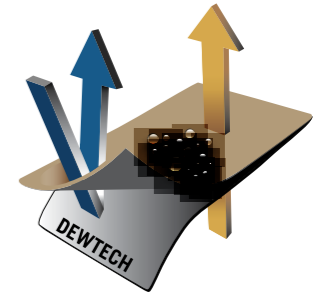

DEWTECH TECHNOLOGY

WATERPROOFNESS: 10.000 MM
BREATHABILITY: 10.000 G/M2/24H

DEWTECH provides solid levels of waterproofing, breathability and comfort.

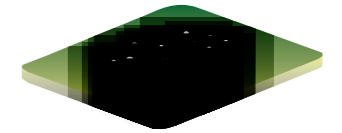

Using high quality technology to keep you dry, warm and comfortable.

WATER REPELLENT TECHNOLOGY

Special treated fabrics provides an efficient protection in humid conditions.

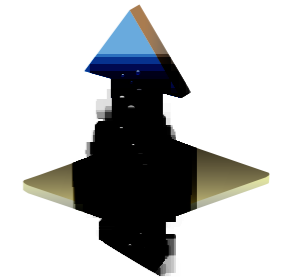

The waterproof coating is extremely thin and do not compromise the look and feel of the fabric.

SWIFTDRIY TECHNOLOGY

SWIFTDRIY is our specially developed fabric designed to quickly wick moisture away from the body.

Quick drying garments for high level comfortability preventing you from feeling damp.

BIONIC FINISH ECO

BIONIC FINISH ECO is an ecological and sustainable alternative to conventional and harmful perfluorocarbon impregnation.

Based on a recipe inspired from the nature containing non-toxic silicone and polyurethane, no chemicals at all. Bionic is the future!
