

DGK

At DGK our mission is to bring creativity, inspiration and performance to the streets. This mission is what inspires our collections, each assortment born from our diverse culture. Our range is carefully crafted to inspire you to be the best you.

Each season we challenge ourselves to re-imagine street performance by improving durability, sustainability and functionality. We find innovative ways to build a bridge from product to people and make a positive impact within the communities we live. We don't sit and wait, we take action to empower so you can survive the streets.

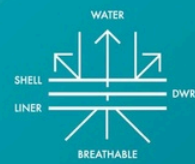

SURVIVAL GEAR FOR THE STREETS

INTRODUCING
DGKTEX 2000

DGKTEX 2000 IS DGK'S NEWEST FABRIC TECHNOLOGY BUILT FOR STREET SURVIVAL. IT IS A HIGH LEVEL WATER RESISTANT COATING THAT WORKS TOGETHER WITH OUR LIGHTWEIGHT SHELL FABRIC. OUR SHELL FABRICS ARE SELECTED TO PROMOTE OPTIMUM PERFORMANCE AND TO SURVIVE THROUGH THE TOUGHEST ENVIROMENTS IN THE STREETS.

WATER RESISTANT BREATHABLE LIGHTWEIGHT

BRING THE RUCKUS. The Ruckus Collection.

DGK's pioneering technology, DGKTEX 2000, is utilized to bring you a winterized collection ready for anything your hustle comes across. The water repellent pieces come correct with a icy color palette that's fine-tuned to enhance the wearer's visual experience. The Ruckus collection is as cold as ice without worrying about the water.

ALWAYS ON TOP.
The Primo Collection.

While born on another coast, DGK shares the same passion for luxury and art that comes inspired by Italian culture. This interest serves as the foundation for fusing quality and color blocking for seamless wearability. The silhouettes range from transitional pullovers to DGKTEX 2000 infused jackets that can be paired with an expanded bag and jewelry pieces.
