Eclipse Ltd

New veneer treatment

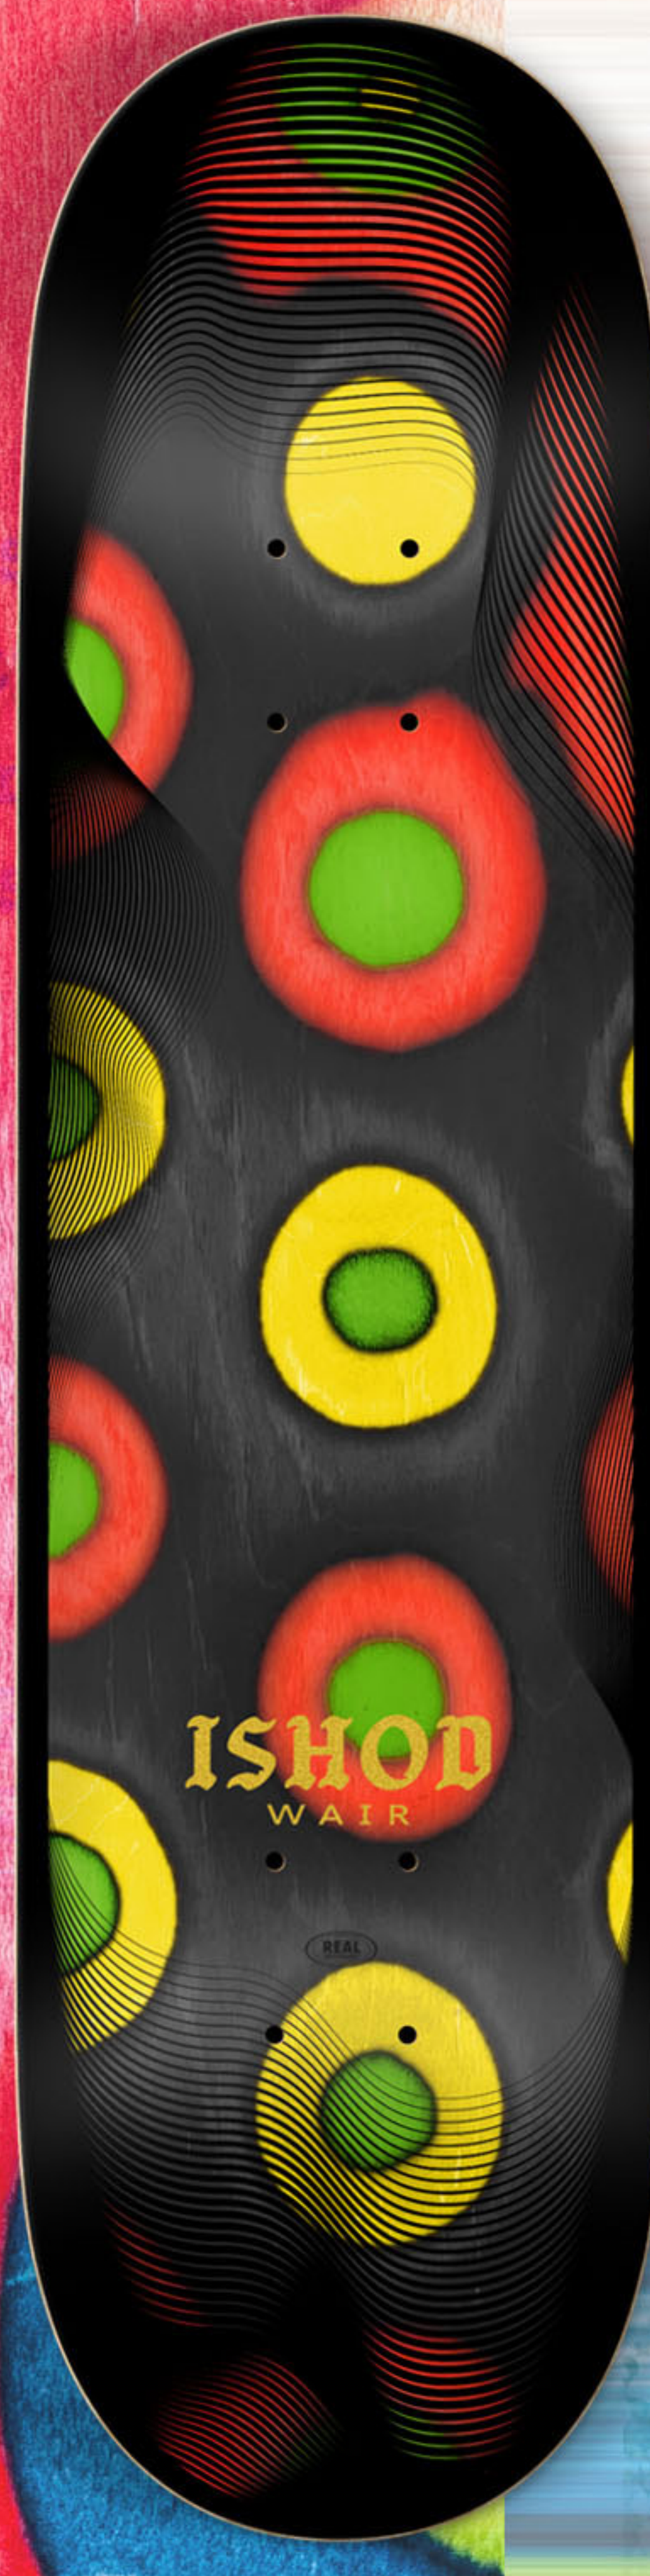

The Eclipse Ltd's from Zion, Kyle and Ishod. Using an all-new spectrum pattern treatment - every board has it's own unique tri-color veneer finish. Skateboards don't need to all look the same.

Skateboarding and art allow us to try new things and have fun with them. Without rules or conventions. Optical illusion patterns over collage artwork with specific colored bottom veneers. Pro name on the top graphic? Why not. We hope you dig them as much as we do...

JEREMY FISH x REAL COLLECTION

A fixture in the San Francisco skate and art scene for many years, Jeremy Fish has a style all his own. Whether its pushing down the street or a piece of artwork, Jeremy is unmistakable. We're excited to share this guest artist collection of boards and apparel for Dennis and Jake.
