SKATEBOARDS

→ **Start em off right and the future is theirs.**

As skaters, we started REAL so we could make gear we would want to ride but also that would inspire others to get out and roll.

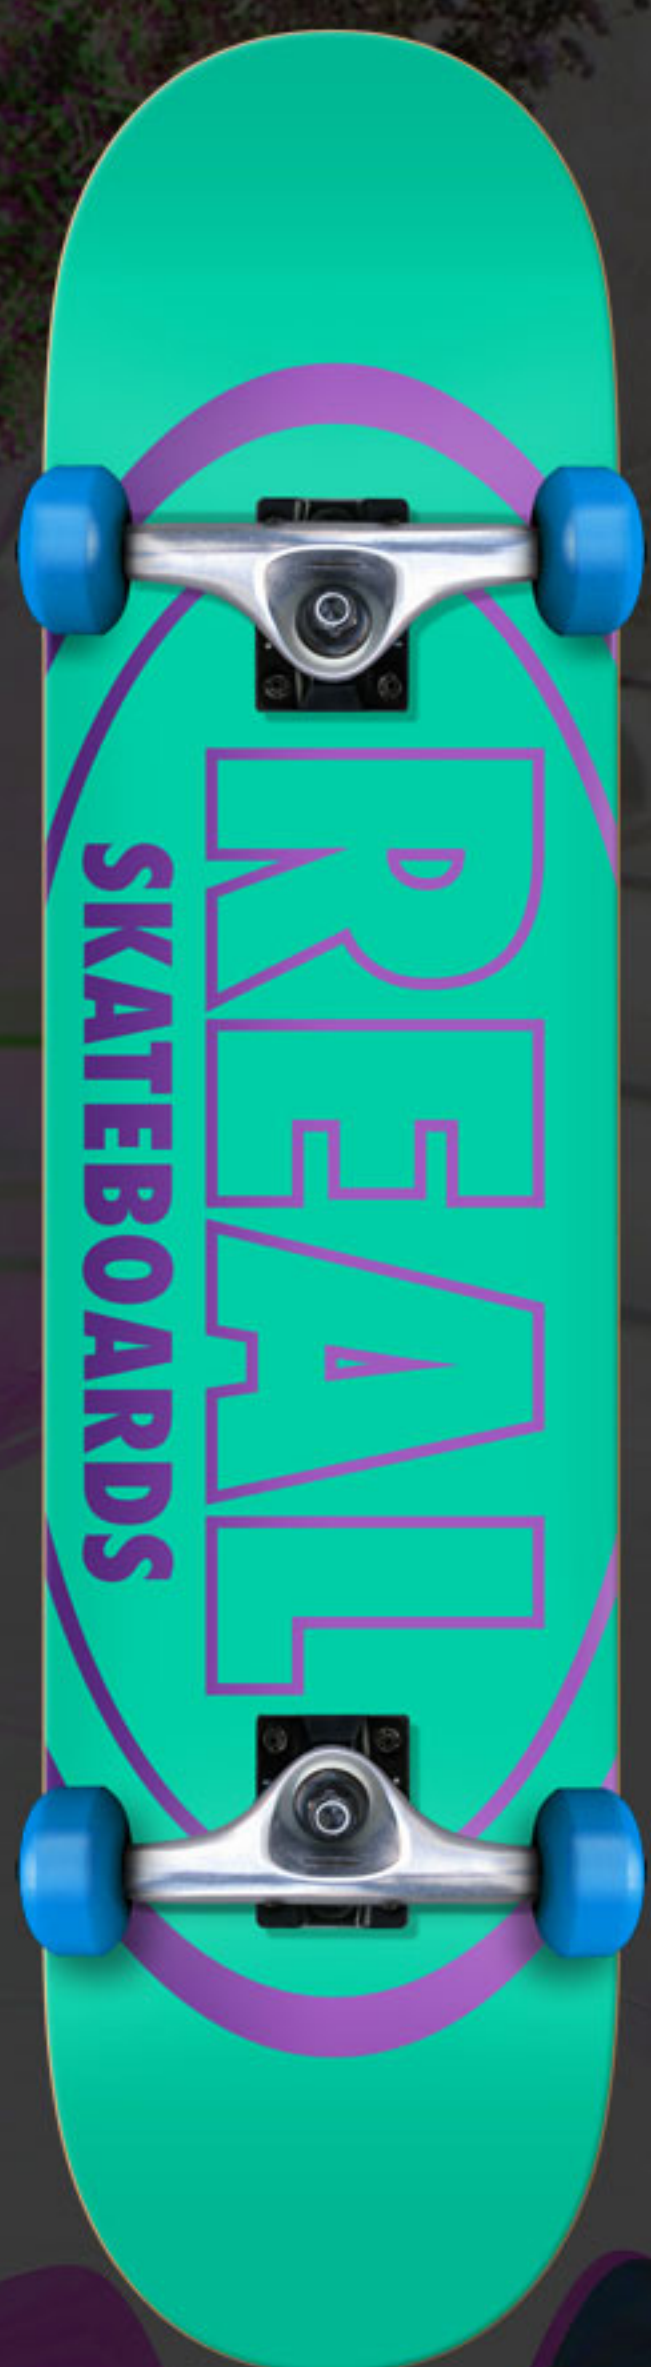

As the years flew by, many of us had kids and found ourselves wishing we had a quality complete deck that would open up skating to first time skaters without sacrificing quality for price.

We now have it and it's yours.

Have fun with it.

The World is yours.
