In 1952, in the heart of Memphis, Tennessee, Rock 'n' Roll was born. Sun Records is the birth place of some of the greatest music to ever grace the Earth. Laying down studio tracks that would change the course of music forever. Sun Records and its artist, Elvis Presley, Johnny Cash, Carl Perkins, Merle Haggard, Roy Orbison, Jerry Lee Lewis and a long list of other greats would belt out some of the most sought after albums of all time.

With Great Honor - Introducing The Sun Records Wino.
