SUMMER 23 - DROP 1

(Cue poorly written Emo intro)

Some years ago, I handed a copy of Rollins's Get in the Van book through the DLX van window to an excited crew leaving for a tour.

The book details early Black Flag tours. The band focused on playing each show as hard as possible, making their way to the next show, and repeating their efforts equally or more each night. They valued and felt a responsibility to bring it for the people who made an effort to see them and wanted to hit it as hard as they could for them, stop after stop. That book stuck with me and many others who are here.

So the book was passed to the crew in the van, not to push them, more to share.

If they got something from it, cool; if not, as the sources they derive inspiration from today are probably better, that's even cooler. The future is in their hands, and they are very capable hands.

What we get to do here at DLX, being lucky to be involved in skating and working with great people worldwide, is never taken for granted. It's an ongoing learning journey, and we thank you for allowing us to be a part of it.

We have a bunch of cool (we think ;)) plans for the coming year.

Many video projects, events, and projects are in the works, and we hope you dig em.

Drop us a line if we can help with anything you have going on.

Thank you

Within this Summer Drop - be sure to check these releases:

REAL:

A LTD Guest Artist series from Jess Mudgett, a skateboarder with a midwestern style.

Two mini-series - the Abstractions by DLX Artist Clay Halling for Mason and Zion alongside glow-in-the-dark versions of the Psychoactive Ovals and a great spread of shapes, including new pro-one-offs for Ishod, Nicole, Harry, and Tanner.

THUNDER:

Silas Baxter-Neal has a Pacific Northwest-inspired Pro Thunder with a new dual-color black/silver textured baseplate finish. Thunder's new Catalyst collection features Trucks, tee, corduroy hats, and stickers, all with a heavy twist.

VENTURE:

GET BUCK - Shake Junt V-Hollows in a 5.0HI and 5.6HI with apparel to back 'em up, and one of our favorites, Tanner Burzinski, comes through with his original artwork for the newest AWAKE LTD V-Lights, sitting on lime-green forged baseplates and black bushings in 5.2HI and 5.6.

ANTIHERO:

In honor of summer and fucking off and going skating, we have the 'I HATE COMPUTERS' series by Mike G and the 'TOASTED, FRIED, COOKED' series by Todd F. Dare to dream.

Also - Grimple runs away and joins the circus with the 'SIDESHOW' series by Lou B.

And whether you're setting off or heading home, the Cardiel and Kanfoush 'MERIDIAN' series by Sam D will get you where you're going. There's also a new shape, possibly the smartest shape ever shaped, THE GENIUS. Everyone will comment on how smart you look on your new board. Kinda like eyeglasses but for under your feet.

SPITFIRE:

Looking to Roll Faster? Kader Sylla has a new pro edition Radial Full Formula Four 99, and the 59mm comes with a custom wood rolling tray. The Gnarhunters x SPITFIRE Collab is going to be a fun one. Check out the full line and tell them Randy sent you. Also, there are some new shapes for ya;)

THERE / UNITY:

THERE welcomes warmer and longer days with this new drop. Chandler's Castle Freak with art by Serotines has holographic space dust for extra shine. Marbie's Tangled up Shaped 8.5 is on Blue Veneers, Cher's new deck is on her 8.67 shape, which is one of our favorites, and Kien's purple-stained Intrusive Thoughts with art by KT will be a keeper for sure. Thanks for checking out the new stuff!

KROOKED:

Get it Strait! Krooked Summer 2023 brings you brand new, shiny, fresh off the lot pro models from two NEW Krooked professionals. You won't be disappointed. We guarantee it.

It's about to be hot so be sure to pick up a brand new Sweatpants water bottle as well as your tried and true staples and team one-offs. The new Frame Flower embossed board is a timeless classic re-imagined so don't sleep.

JESS MUDGETT - GUEST ARTIST SERIES

Like most skateboarders and artists, Jess Mudgett has a taste for the open road and adventure.

His artistic style is a personal reflection of experiences gathered through the miles along the highway in Colorado, the Pacific Northwest, Wyoming, the Coast of California, and beyond.

We're excited to work with Jess on this deck and tee-shirt collection for Kwalks, Jimmy, and the Team. Giddyup!
